

# **REVOLUTION ENGINES OWNERS MANUAL**

## **WARRANTY POLICY**

**THERE IS A TWO-YEAR CONDITIONAL WARRANTY ON ALL PARTS AND WORKMANSHIP TO THE ORIGINAL PURCHASER.**

## **NOT COVERED UNDER WARRANTY**

- Specialty Manufacturers carry their own warranties, such as mufflers.
- Spark Plugs, Filters and other optional equipment such as Custom Mufflers or Props.
- Carburetor, Timing Adjustments or Optional Test Runs, and Maintenance.
- Parts for warranted engines purchased outside of in-house repairs.
- Engine Damage caused by Overheating.

**SHIPPING COSTS ARE NOT COVERED, BOTH WAYS. (Return packing, handling, shipping, and insurance typically \$18 for singles and \$24 for twins.)**

## **CONDITIONS THAT VOID THE WARRANTY**

- Failure to return your warranty card. Send card to our factory authorized service center: BJ's Model Engine Service, 51 Hillside Dr., Beacon Falls, CT 06403
- Engines that have been Crash Damaged and/or have had a Prop Strike.
- Engines that have been **modified or altered** in any way, thus affecting the operation and/or condition of the engine.
- Engines that have been damaged through improper handling and operating, or have been poorly maintained.
- Engines that have **ingested** foreign objects, sand, etc.
- Engines that **ingest** carburetor parts or Reed valves.
- Using fuel additives, such as NITRO.
- Unintended use.
- Failure to provide dated-proof-of-purchase receipt.

We strive to produce the best quality engine for your use and continued enjoyment. Every effort is put forth to improve each facet of the manufacturing process used to produce this engine. However, it is difficult to achieve perfection, but with your help we can get nearer to

that goal. To help achieving this goal, we ask that you do no disassemble the engine before returning it to us for service. This will help us in assessing the true nature of the problem you have experienced.
